CASELL FAMILY CEMETERY

19th century

Adams Mill Road
Westminster vicinity

private

The Carroll Family Cemetery is located on the north side of Adams Mill Road approximately two-tenths of a mile east of Roops Mill Road. Most of the tombstones date from the early to late nineteenth century and display the changing tastes of tombstone design during that period. Several of the early stones, such as the one of Susanna Roop, are deep-cut dark stones with stylized motifs identical to those found in the German settled areas of the county. The cemetery was severely vandalized in the summer of 1983.
